

Livestock Organic Status Affirmation

This form or equivalent documentation (such as the MCS Animal List) should be used to verify the status (dairy and/or slaughter) of livestock to be sold. Be sure to provide the organic buyer this document along with your current organic certificate listing dairy and slaughter/meat as applicable.

Producer/Farm Information:

Producer Name: _____ Farm Name: _____

Street Address/Town: _____

Telephone Number: _____ Email address: _____

Name of Organic Certification Agency (MCS, other): _____

Organic Certificate #: _____ Certificate Current Issue Date: _____

List below all animals to be sold including ID and whether animals are transitioned (dairy only) or when listing brood stock offspring, records must demonstrate organic management from the last third of gestation (eligible for slaughter). Note that organic animals are not eligible for organic slaughter if they have been treated with conventional de-wormers or other synthetic materials allowed in organic dairy production but prohibited for meat.

Animal ID	Eligible for Organic Slaughter	Dairy Only/ Transition	Animal ID	Eligible For Organic Slaughter	Dairy Only/ Transition
