

Livestock Organic Status Affirmation

This form or equivalent documentation (such as the MCS Animal List) should be used to verify the status (dairy and/or slaughter) of livestock to be sold. Be sure to provide the organic buyer with this document along with your current organic certificate (listing dairy and slaughter/meat as applicable), including individual herd health care records for producers with organic product verifications reading 'some eligible for organic slaughter'.

Livestock health care records are kept and demonstrate compliance with organic? YES initial _____ NO Initial _____.

Farms with **“Some Eligible for Organic Slaughter”** must also provide a copy of individual health records with this document. Health records may be scanned to your MCS specialist by email, sent by legible text photo, or by mail to PO Box 170 Unity, ME 04988.

Please note that after 4/5/2023, organic dairies are prohibited from sourcing transitioned animals due to the new Origin of Livestock NOP rule.

Producer Name: _____ Farm Name: _____

Street Address/Town: _____

Telephone Number: _____ Email address: _____

Name of Organic Certification Agency (MCS, other): _____

Organic Certificate #: _____ Current Certificate “Issued on” Date: _____

List below all animals to be sold including ID and whether animals are transitioned (dairy only) or when listing brood stock offspring, records must demonstrate organic management from the last third of gestation (eligible for slaughter). Note that organic animals are not eligible for organic slaughter if they have been treated with conventional de-wormers or other synthetic materials allowed in organic dairy production but prohibited for meat.

Animal ID	DAM ID	Eligible for Organic Slaughter?	Dairy Transition (Yes/No)	Animal ID	DAM ID	Eligible for Organic Slaughter?	Dairy Transition (Yes/No)
