Certified Clean Cannabis

by MOFGA

MC3 Pre-application Checklist

New applicants to MOFGA's clean cannabis certification program must fill out and provide this pre-application checklist to MOFGA Certification Services (MCS). If you answer **no** to any questions on the mandatory list you must contact the MCS office prior to filling out an application for clean cannabis certification. If you have answered yes to all of the questions below you can submit the pre-application checklist with your application and fees for clean cannabis certification.

Mandatory Questions	**Yes**	**No**
1. Have you read, and do you understand, the MC3 standards for clean cannabis production?		
2. Are you currently a licensed medical marijuana caregiver in the State of Maine or a licensed hemp grower under Maine's Industrial Hemp Program?		
3. Is the cannabis you would like to be certified by MOFGA grown in a soil-based medium?		
4. Are you able and willing to make all of your production, harvest, and sales records available to MOFGA representatives for review?		
5. Have you verified that all the inputs currently in use in your cannabis production are approved as stated in the MC3 standards?		
6. Are you seeking clean cannabis certification for all cannabis that you grow?		

The following questions are optional:

1. Do you have any additional questions about the program?

2. MOFGA is currently accepting applications for processed products. Are you interested in certifying any processed products at this time?
